

# The Changing Tide in Healthcare

Healthcare Financial Management Association Texas Gulf Coast and its sponsors along with healthcare leaders from the world's largest healthcare community of CEOs, CFOs, CIOs, are joining National and International industry experts for an extraordinary summit on changes in healthcare September 19th and 20<sup>th</sup>, San Luis Resort in Galveston, Texas.

This opportunity provides "real" information on healthcare reform, and National and International think tank experts will prognosticate on financial and societal changes in healthcare and its impact on you and our communities.

On Sunday evening, come join us for a Hawaiian Luau, presented by Savea's Pride of the Pacific. The evening will include live "island" music, dinner, drinks, a world famous fire act, and a show that incorporates all the major islands of Polynesia. You won't want to miss mingling with industry leaders at this exclusive entertainment event!
